

Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Wednesday 26 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Any evening showers dying out then fine.

This Evening and Tonight:
Any showers quickly easing by early evening to leave a dry and rather cloudy night. Clear spells are most likely across western areas and a few mist or fog patches could form here around dawn. Minimum temperature 4 deg C (39 deg F).

Thursday:
After a rather cloudy start it will soon brighten with sunny spells for most areas. Light showers are possible for the afternoon, mainly over Derbyshire. Feeling warmer than recently. Maximum temperature 17 deg C (63 deg F).

Outlook for Friday to Sunday:
Mainly fine on Friday with possible showers. The weekend will be dry, bright and warm but a chance of afternoon showers. Low cloud land mist likely near coasts on Sunday.
